I understand this application to Cat Rescue & Adoption Network (CRAN) is neither a promise nor a commitment to any volunteer opportunity. I certify the information I provide is true, correct and complete to the best of my knowledge. I understand that misrepresentations or omissions may be cause for immediate rejection from a present or future volunteer position.

## Waiver:

I recognize and understand the inherent risks associated with the care of cats, including but not limited to the possibility of injury to me or my property which I may suffer because of the unpredictable nature and/or provocation of cats. I understand that rescue cats may carry transmissible diseases which may be spread to my personal pets. I agree to take proper precautions to minimize these risks. I will not hold CRAN responsible for any illness to my personal pet or any other animal under my care because of cross contamination from a CRAN rescue cat.

I further understand that Cat Rescue & Adoption Network carries no personal and/or liability insurance for volunteers and that I should obtain such from a personal source should I require it.

I understand I will receive no pay, benefits or other privileges of employment of any kind for my services. I am not eligible for worker's compensation benefits if I am injured or become ill because of my volunteer work and I am not eligible for unemployment compensation benefits if or when my volunteer assignment ends. I also certify I have not been promised, and have no expectation to receive, a paid position because of my volunteer work.

In consideration of the mutual promises of the parties contained in this Waiver, or of the acts to be performed by either, we agree that I knowingly and voluntarily waive any claims, damages or causes of action which I may have or incur against Cat Rescue & Adoption Network, its officers, directors, agents and affiliates because of my donation of time and effort.
